 in Section R156-1-308.

- (2) Renewal procedures shall be in accordance with Section R156-1-308.

R156-71-304. Qualified Continuing Education.

- (1) In accordance with Subsection 58-71-304(1)(a), qualified continuing education

shall consist of 24 hours of qualified continuing professional education in each

preceding two year period of licensure.

(2) If a licensee allows his license to expire and the application for reinstatement is received by the division within two years after the expiration date the applicant shall:

(a) submit documentation of having completed 24 hours of qualified continuing professional education required for the previous renewal period; and

(b) submit documentation of having completed a pro rata amount of qualified continuing professional education based upon one hour of qualified continuing professional education for each month the license was expired for the current renewal period.

(3) If the application for reinstatement is received by the division more than two years after the date the license expired, the applicant shall complete a minimum of 24 hours of qualified continuing professional education and additional hours as determined by the board to clearly demonstrate the applicant is currently competent to engage in naturopathic medicine.

(4) The standards for qualified continuing education are as follows:

(a) content must be relevant to naturopathic practice and consistent with the laws and rules of this state;
